

'Tell us About It' - diverse student voices in creative learning in practice

Jonathan Staal, University of Abertay Dundee
Tom Burns, London Metropolitan University
Sandra Sinfield, London Metropolitan University
Terry Finnigan, University of the Arts

This workshop aims to:

- Share an innovative project around gaining student feedback on their total learning experience,
- Reflect on some of the creative responses produced in the form of a mini exhibition. These include artefacts, reflective writing, mind maps, video clips.
- Discuss how these responses are informing and changing practice
- Consider opportunities to continue / extend the project.
