

## **Video interviews**

The students are asked the following questions in the interviews. Use this sheet to record your thoughts about their responses as you watch the video interviews. What messages can we pass on to staff and students who are about to start using Turnitin?

1. What did you like about using Turnitin?
2. Did you find the workshop on the originality report useful?
3. What would you recommend to other students who may get to use Turnitin?
4. What would you recommend to staff who are going to use Turnitin?
